GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER IN MYSORE, BANGALORE.

Abstract Notification dated 25th September 1939.

LIGHTING BILL CARDS.

Attention is drawn to this Office Notification No. G. N. 10, dated 25th September 1939, inviting tenders for the above work, published in Part VI, pages 2004-2005 of the *Mysore Gazette*, dated 28th September 1939. The last date of receiving tenders is 15th October 1939 and the earnest money required is Rs. 50.

M. HAYATH,
Deputy Chief Electrical Engineer.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, MYSORE.

Notification dated the 29th September 1939.

1. Sealed tenders in triplicate will be received at the Office of the Superintendent, Power and Lighting, Mysore, superscribed with the name of the work noted below.

2. A sum of Rs. 285 (Rupees two hundred and eighty-five) only is required to be sent along with the tender in cash or currency being the earnest deposit. Tenders not accompanied with the said deposit will not be accepted.

3. The plans connected with the work may be seen at the office of the undersigned at all working hours. The same will be made available on payment of Rs. 3 per set.

4. The tenders should be drawn up strictly in conformity with the specifications furnished, writing out the rate at which each item of work will be executed in figures as well as ni words, failing which no cognisance will be taken of the tender. No items other than those noted in the statement should be included, as the items cover provision for all sundries that are necessary for the execution of the work to meet with the requirements of the department including masonry repairs, painting the exterior of the casing, to suit the surroundings.

5. Materials to be used on the work should be of best quality conforming to the specification of this department and B.S. or A.I.E.E. specifications. Mention should also be made of the manufacture and the catalogue numbers of the materials offered. Teakwood planks to be used on the work should be free from knots, cracks, and should be well seasoned. No planks less than 12" in width will be permitted to be used unless it is to make up the difference in size of the board required. Only lap joints should be adopted in all cases.

6. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

7. The successful tenderer will be required to execute an agreement within two days from the date of communication of acceptance of the tender. He should send samples of all the materials required for the work mounted on a board and start the work after obtaining the approval of the undersigned with regard to the same within a week, from the date of communication of acceptance. Failure to adhere to the conditions above will entail forfeiture of the earnest deposit and adoption of such measures as are necessary for expediting the work otherwise entirely at his risk. He should also bind himself to execute the work strictly adhering to the wiring rules of this department as well as those of I.E.E. He should also be prepared to adopt changes in the location of lighting fixtures, control points, etc., that might be desired by the undersigned during the progress of the work without any obligation, if the tender is not materially affected thereby. It should also be noted that control switches, wall plugs, etc., should be grouped wherever necessary and located as far as possible in inconspicuous places.

8. The undersigned reserves the right to reject the work either in full or in part if the same is not executed according to above specifications or is not satisfactory as regards workmanship.

9. *Name of the work* :—Installing electric lights to the Sowars' quarters at Mysore Horse Lines, Woddarapalya, Mysore.
